“ Was just thinking that of this wonderful man, googled his name and saw this notice. He cared for my very desperately ill little boy with compassion and love. Ironically,our boy passed away almost to the day that Dr. Sanz did, only many years earlier. I will never forget this wonderful man and doctor. I know he is with God.

“ Dearest Dr. Sanz,
I am forever grateful for the life changing lessons I learned from you about Pediatrics. Your intelligence and clinical skills were unmatched. I will never forget your kindness towards patients and hilarious wit. Thank you for being an amazing example of what a great pediatrician should be. I cannot put into words how much you will be missed by us all and what a profound loss you are to the community of medicine.
Wishing your family all the love and support I have to offer in this difficult time.
Rest In Peace Dr. Sanz
Sincerely,
Anu Setlur
