“ I had the pleasure of knowing Mr Wong through my great friends, Kate & Ken. I have a particularly wonderful memory of being in New York for work and meeting Kate for lunch, with Mr Wong insisting we all meet for dim sum. I don't think I've ever eaten so much or drink so much jasmin tea! I think Mr Wong was determined I try every dish in the restaurant. A wonderful afternoon.
Sending love from my family here in England to Ken, Kate, Bridget and all the Wong family. Much love, Nicola xxxx
