I can still hear her laugh. Especially when I recall her telling the story of her and my mom taking driving lessons together. A classic!!

Loughlin Family, I adored your Mom! She went to grammar school with my Dad, he ALWAYS referred to her as Fluffy Duffy, she was best friends with my Aunt Marguerite. Just a bright, beautiful, funny, spunky soul. May you take comfort knowing she is with your brothers and family members and her buddy Marguerite!! And may her journey home to God be blissful.
