“ Donna, Stephanie and John, I am so sorry for the loss of your beautiful mom. I loved her and felt apart of your family when we were in high school together. When she smiled, the whole room lit up and her laugh brought joy to so many. She was smart, kind and generous. She helped me many times when we were younger, she was like another mother to me. And I will always hold her in my heart and memories. I will be in Portugal this week, so unfortunately will not be able to be there. But I wanted to send you my love and condolences.

“ Stephanie, Donna, John... I have such happy memories from knowing your mother at St. Thomas. I taught Sunday school and remember having you in class (Donna and John, I have some photos of you that were taken during class. Feel free to call me next week if you would like to see them 201 768-0913). Also sang in the choir and was active with Armenian School. My memories of your mother are tied to the photo you have here... always smiling and laughing, eager to be of help, devoted mother. Her personality shines in her face. I am so sorry I will be out of town this weekend... Even though it has been many years since we knew each other, your mother was one of the ladies of the church I have never forgotten. Although I am not Armenian, she was one of the ones who never made me feel like an "odar". Sincere condolences. Bunny Mateosian, Closter, NJ
