“ Grandma Carmella,
I will always remember how kind you always treated me from the first day I met you, You accepted me and welcomed me in your home and I miss visiting you at the Paramus Veterans Home - When Nicholas and I visited you during the middle is the Covid Pandemic, I made sure to take photos and video, I remember calling you Grandma, you said I'm not your Grandma with a smile, I said I love Nicholas and because of that your my special Grandma and I love you, I meant that and I miss seeing you and your smile - I remember as Nicholas and I walked away from the Paramus Veterans home from our outdoor visit with you, yelling to you “Bye Grandma! We Love You!!” As I was recording you being wheeled back into the facility... You waved back to us smiling, ❤️❤️ 1 Year Later ❤️❤️ We both miss you!!

“ I will always remember my Aunt Millie as a very caring, loving, and giving Aunt. I'll always remember her smile and her quiet laugh and manner. I'll never forget waiting in shopping center parking lots with my cousins Patreesh, Joseph, and Karen, and my Uncle Joe while she went shopping. And there aren't any words that can describe the meatballs that she made just about every Sunday. I know that she is now in heaven with her husband Joe, daughter Karen, and many more family members that have passed away. RIP my Aunt Millie. You will definitely be missed and know that you were always loved by so many. Love, Your nephew Nicky xoxoxo

“ Dear Grandma, for the time I've known you, you've always welcomed me with open arms and a warm heart. There's not one time I can recall ever seeing you without a smile. You have always been so subtle, content, quiet, yet so powerful, cheerful and stylish. Its easy to see where Angela gets her beautiful and wholesome personality from. I thank you for all the good times, the smiles and laughs and the love you've shown me in the short time we've known each other.

Love, Eric

“ Grandma,
I'm so saddened by losing you but I am so grateful I was able to have you as my grandma. I'll never forget all the great memories we shared. All the sleepovers, Sunday dinners, holidays and just coming over to hang out and share some time together. I remember going to ShopRite with you and grandpa and when we were done you would always buy me a beanie baby and you a lottery ticket. As I got older you got me lottery tickets too and we loved scratching them off together. I also loved watching the price is right with you and your soap opera as the world turns. I'll always have these memories to get me through life without you, and remember how truly blessed I was to have 30 wonderful years with you. Always in my heart.

“ *Dear Millie,
I have to say you were the best mother-in-law. I loved how you always took my side instead of Patricia's! You were like a second mom to me. You were very easy to be around and I loved you for that. I will miss your warm smile and your quiet ways. You will be sorely missed.*

Love, Goody

“ Ma Mere,

I will miss you each and every day. I will miss those "looks" you gave me and only you and I will know why. You were a true lady in every sense of the word. The way you held yourself, gave yourself to others and you were always so stylish; but you were more than that - you were a great wife to Daddy and a great mother to me, Joseph and Karen. You were a great friend and a wonderful grandmother. God picked you to be my Mom and only you could have guided me to be the woman I am today. I am loving, kind and strong because of who you were. You leave me with nothing but great memories of you, which I will cherish the rest of my life. I thank you too for your patience with me - that is one thing which I did not inherit, Lord knows you tried. I want to thank you for all the wonderful years as my Mom. I love you Mere and I always will. It's your time to go be with Daddy and Karen.

All My Love,

Patricia
