“ Thank you for opening your heart and home to our sons for so many years. We became friends...sharing laughter and tears as we watched the miracle of our sons growing into extraordinary young men. I am so happy dear friend that you are finally reunited with your Joe, Mary Ann, and Joey...they have waited so long for you!

“ *A mentor, a model, and an inspiration to me as a young teacher at St Joseph’s school in Bogota. Over the years becoming a friend, we traveled together, had wonderful adventures and shared simple good times. I feel blessed and thankful to have known her, her children, grandchildren and great grandchildren. Much love to all.*
