“ I was lucky enough to have Mrs. Follis as my 4th grade teacher in Haworth. She was such a classy, caring and good hearted person. Of course she taught her students academics (very well might I add) but most importantly she taught us the importance of being good people. It is because of her I became a teacher. I can only hope I influence my students like she did. Sending much love to the Corso/LaGreca/ Follis Family.
