“ Dear Debbie, Barry, Jackie and Family,

Naola G-W called to tell me about Kitty's passing. She was a wonderful Girl Scout leader, Service Unit Manager and trainer. She was forthright, funny and she was always there for the girls. She was also my friend. I did not realize that Naola had her address, so I lost track of her when she went into the assisted living. I know the last few years have been difficult for her, but I hope her passing was peaceful.

The picture below was taken near the trees that we planted for International Youth Year (1986) in Flushing Meadow Park, Queens. We had "Pioneer Days" in Spring 1987 and in this picture, Kitty is helping girls to make kites. I will always remember her this way.

She loved the outdoors and could make any craft. I have several little things she made for me and I treasure them.

My deepest condolences to all of you on your loss.

Yours in Girl Scouting and with sympathy,

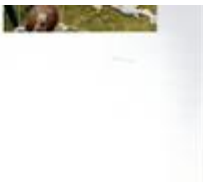

Eileen Kane (formerly of Sunnyside/St. Teresa's Girl Scouts)
