“ Chet was a real great person and did not hesitate when you asked him for help.
I had the pleasure of knowing him since we were both kids and there are plenty of unique moments I had because of him.

“ Chet was a special very unique person. One of a kind and to me a throwback to a different some would say better era. Ive known him forever since college and they broke the mold when they made him. His wit, charm, formidable intellect and heart for his family and friends will be missed dearly. God Bless his daughters, Jen and his family. Our deepest respects for your loss. - Patrick J. “ *To the Ranawat Family,*

We are deeply saddened by your loss. Chet, and his girls, will forever be in our family's heart.

He and I met at the worst of times, and being who he was he made it the best of times. Always putting the little ones before himself.

“Nothing is perfect” he would say and “Too bad.” We loved him dearly. May he Rest In Peace. Our sincerest condolences.
