“ *What can I say? Such a generous and giving person who helped so many people. And a humble man. I remember how, when I first knew him, he would quietly spend each Saturday cleaning the church. He was so generous to so many people and so many organizations.*

*I don't think he ever knew how much good he did, and how much he helped other people. Now he knows the impact that he had on so many people! May he rest in peace.*
