“ *What a special lady Clair was and what a wonderful family she raised passing onto them her wonderful qualities. Her light will shine within each of them. Our family knew her as Great Nan It was only this past holiday that I realized I did not even know her first name and inquired! I must say that Great Nan certainly suited her and that is how I will fondly remember her. Patricia Wood*

“ I loved Mrs. Lane (Claire) - she was like a 2nd mom to me..I grew up going over to their house on Surrey Lane as I was a good friend of Diane's... she always had some goodies that she had just baked and was eager to chat with us gals on various topics. The house was always filled with people and being an only child I loved being in all that chaos.

Even when she moved with Richard to the new house in Tenafly there was always an opportunity to stop by when Diane was in Tenafly visiting - it was great catching up and I even brought my own kids over to tmeet her too. Claire was a lovely, kind and gracious woman. I will always have fond memories of her thinking about our childhood days in Tenafly. She had a terrific family and was surrounded by her loving children and grand-children until the end. Fortunately she passed away peacefully. She will always be fondly remembered. Rest in Peace Mrs. Lane.
