“ *My condolenceS Tito Janu and family. Tita Connie was so nice to me. She served as my second mom when I arrived in NY for grad studies and helped me settle down after graduation - from getting a car to looking for an apartment. She had a very fun personality..never a dull moment when you talk to her. She invited me to a lot of holiday get togethers and made sure I am not alone.*

I will miss you Tita Connie. Thank you for everything!

“ To Janong and family,

Our prayers and thoughts are with all of you in this most difficult times. For all of us that know her, she will live in our hearts forever.

I have known Connie since I was 6 years old, spent the best years of my growing life from grade school to high school with her and a bunch of Laoag friends. Little did we know that into our 70's, that kinship and friendship would last forever. How lucky we have been to have shared this life with her, and with you Janong, each time we visited you in the East Coast.

While our lives diverged after that, through the years we have never forgotten the memories of the joy of our childhoods together. True friendship never ends, it lives in our hearts forever.

With our love,

Dahlia Sagisi-Saldana and Pat Saldana
