A family matriarch in every sense of the word. An extremely accomplished beautiful and talented woman. A devoted daughter to her own parents and loving caring mother to her boys, David and Sandy!

“ *Hey mom...today is Thanksgiving...i never really thought too much about what I am thankful for...but today I finally realized what I am truly thankful for : and that is you...you were always there when I needed a reassuring word, your "don't worry, things will get better" always put me at ease...mother's intuition, you would say...and you were usually spot on...so today, I will think about all of our talks, all of our arguments, and say thanks for being a great mom, but most of all just for being YOU...love you and miss you..*

“ *What a beautiful lady, inside and out. She always was so nice to me.*

I've known her since 1964 since I was in school with Sandy.

Memory of her sitting in her car waiting for her boys to get out of school.

May she rest in peace. She was loved!
