“ It was so great to have worked with Dave on a daily basis for so many years at Woodside School. He was an outstanding worker and always had a sense of pride in everything he did. He was a rugged guy with a heart of gold --always ready to lend a hand. You won't be forgotten my friend. You touched a lot of lives!!!

“ Very saddened to hear of David's passing, I always look back on our H.S. days of being (called) metalheads with our muscle cars, especially Dave with his 57 Chevy and then his 66 Chevelle. I will never forget passing by his house on Taylor St. and looking in the back to see him working on those cars in any weather at any time.

*I will surely miss you Dave, rest in peace from one metalhead to another.*

“ Dave was a great friend to all at Woodside School. He did his job with pride. He was quick with a smile and a joke. He loved to laugh. As a friend, he shared encouraging messages of faith. He was truly part of our Woodside School family, and we will miss him so much. God bless you my friend!

“ Words can't even express how I feel about David- he was one of the cool cousins. Any time he was down the shore he always had a good time with his Aunt Katie and Uncle John who loved him very much as we all did. You are now at rest at home with your Mom, Dad and Uncle John- I am sure the jokes will be flying. All my prayers to my cousins during this difficult time and my heart and love go out to them all. Kathy, Theresa, Joanne, William and Rocky (along with their families)
