

David Johnson

October 28, 2019

Celebrating the passing of David Johnson. A hard working and loving man who leaves behind his son Drew, two brothers Paul and Jack and his sister Alison. David was one of the most optimistic and happy individuals who lit up every room with his smile. When he wasn't working you could most likely find him hard at work at his local gym or volunteering for his church either here or abroad. We welcome all who knew him to come to his service and repast at 1st Presbyterian Church on November 16th at 2 pm to celebrate his life.
