“ *This is Demitra  
I have memories of papou at the beach, making sandcastles, and he used say IKEA and he was a great man. I remember when papou used to run away and my dad and I put locks on my Yiayias door. I always here stories about how he drove Penelope and I to school, cradled us when we cried and feed us. I loved my papou and I miss him so much. I hope he rest good in heaven.*
