

Donna Kraker

February 27, 2018

Donna Kraker (nee Festa) age 55, passed away on February 27, 2018. She was a dedicated operating room nurse at Valley Hospital for 30 years, where her devotion to patient care knew no bounds. She loved spending days on the beach, doting on her dogs Magic and Hamilton, and cozying up on a couch with a plate of desserts before promptly falling asleep. Her family was her greatest pride, and she will always be remembered as a loving mother, daughter, and friend, who would put the world before herself. Donna is survived by her parents Marie and John Festa. Donald Kraker and their children Laura, Brian and his wife Shachi, and Amanda, her husband Marc, and her grandchildren Eamon and Cordelia. Her brother John, his wife Rosa, and their son Dylan. And many loving aunts, uncles, and cousins. A memorial service will be held at Preakness Reformed Church on Monday, March 5 at 11 a.m. (131 Church Lane, Wayne, NJ).

In lieu of flowers, the family asks that a donation be made to Memorial Sloan Kettering for ovarian cancer research at mskcc.convio.net/goto/kraker.
