“ *So sorry to learn of Edna's passing. She and I worked together at Bergen State Bank aka Citizens First National Bank. We shared many happy times, and I still have the St. Joseph's statue she gave to me from her trip to Rome. I will treasure it forever. Rest in peace in angel's arms sweet Edna. With my love to your family. JoAnn Perry*

“ Edna, sweet Aunt Edna. Even tho I am Vicky’s best friend, you were always so kind to me as if I was your niece too. The way you cared and loved Vicky meant the world to me and your generous care and love for me, my husband and especially your great nieces and nephew will never be forgotten! You were truly family to us and im going to miss your FB comments and gifs of love for us! Whereas I know you are no longer suffering and are home in Gods arms along with PopPop you will be forever missed and loved. Please watch over us especially Vicky as she still and always will need you looking out for her! Rest in sweet heavenly peace! Love, the Sanchez Family

“ Dear Denise and Victoria: I am shocked and saddened to hear of my dear friend’s passing. As you know, Edna and my friendship spanned many years .. first as Ambulance Corps EMT’s and later as just good friends who totally “got”each other. She took Bobby and I to dinner the night before we moved to Florida. We always stayed in touch and followed each other’s trials and tribulations. She prayed so hard for us when we lost Kristi ... and I will never forget her kindness and caring. She was a one of a kind special friend, and will forever be in my heart and prayers. She is with Anita and Bart now, may she rest in eternal peace. Hugs to you both. I wish I could be there for you. 🤗 Hugs ... Julie

“ *Edna was such a kind soul. She loved her visits to Murrells Inlet. She was hoping to live here one day. Unfortunately it wasn't in Gods plans. RIP, you will be missed.*

“ My dear sister, there are no words to express my sadness. We were two peas in a pod, even though miles separated us. You loved life and enjoyed every minute of it spending time with family. I will miss you like crazy and will always love you. Denise💔💔💔🙏🙏

“ Such sad news today my sweet Edna. 💙 You were that one friend in a million that not everyone gets to treasure in this lifetime. Although the miles separated us when I moved to Florida, we always managed to stay in touch. We were tight Ambulance Corps buddies, and close friends ever since. We “GOT” each other ... we had a lot of good times together ... and kept a lot of secrets between us. I knew you were ill, but you never really complained. You were the best daughter to your parents, and a caring sister and aunt. I know the great faith you had in God (and shared with everyone) will carry you straight to his arms. Rest in eternal peace my dear Edna Portelli May the angels carry you into Paradise. I will miss you forever. 💙

Anthony. So sorry for your loss. Edna was a great person

My heart is heavy and my prayers are with the Portelli family during this difficult time. Edna was a part of my family for over 40 years. My confirmation sponsor, bride's maid and even my co worker for 10 years. Through the years Edna and I would go out to celebrate our birthdays (both in March) and always for Christmas festivities as well. The past few years due to Covid and health issues, we were unable to keep our tradition, but we stayed in touch. I am saddened that her life was ended so soon, and too young, but I take comfort knowing that Edna was a Believer in Christ and is with Jesus and her parents and I hope she has reconnected with My Mother in heaven. Rest in Peace Edna. Love Suzanne

I worked with Edna at the bank in Bergenfield for many years. Edna was a true co-worker & friend. We had many good times after working hours. I am so saddened by her passing, but I know she's at peace now. Love, Pat
