“ *Thea Froso left Cyprus when I was still little but I do remember that many ladies used to come to her house at Kaimakli to have their clothes sewn. Later on when we immigrated to Canada they she and her family used to visit us often and we were very close. When we visited in New Jersey she took very good care of us. We have very fond memories for the time we spent together both in the USA and Canada. Her family was by our side both in good times and in sad times. She was a great lady and we will miss her. May she rest in peace. Elias from Toronto.* ”
