“ *I have a memory of Gabe as an adorable little boy, trick-or-treating at our house. Just so precious. I hope you find comfort thinking of him in heaven. You're a very sweet Haworth family. So very sorry for your loss.*

“ *We met when we were young, then connected when we were older. Though we lived thousands of miles apart, we shared dreams and supported each other. Gabe had the talent of always being able to touch the hearts of those he cared about. He paid close attention to Syntax ;) My condolences to his family.*
