

Gail Barlow-Spahn

August 23, 2019

Gail Barlow Spahn, known as “Gails” to her loved ones, passed away Friday August 23, 2019 at the age of 65. She was the mother of four children, the grandmother of five, and spent the last 8 months of her life with her beloved daughter Nicole, son Michael, grandson Nakia, and son-in-law Sid. Gail was a 1972 graduate of Tenafly High School and has spent many years as a resident of the town. She then moved to Bergenfield where she became very involved with her community. She served as a Board Member of the Police Athletic League (PAL) and for over 25 years, Gail was responsible for managing the snack stand. Through her work with the PAL, she helped organize the Family Fun Day and Christmas in the Park events that brought the community of Bergenfield closer together. When not volunteering, Gail worked in the Tenafly Board of Education, with close friends, and fostered the academic development of young children. She lived life to the fullest by traveling with her family. Gail had a unique talent to create wonderful pieces of art and bring about elegant parties for those in need. Her strength represents a great deal of her life being a breast cancer survivor and overcoming multiple sclerosis. Those touched by Gail’s loving heart are invited to pay their respects on September 3rd from 4-8pm at the Barrett Funeral Home located at 148 Dean Dr, Tenafly, NJ 07670. On September 4th, services will be held promptly at 1pm following a celebration of life at the St. Thomas Armenian Church located at 174 Essex Dr, Tenafly, NJ 07670. In lieu of flowers, the family request donations be made to Bergen County Alternatives to Domestic

Violence-ADV located at One Bergen County Plaza, 2nd floor, Hackensack,
N.J. 07601. 201-336-7575.

“ *Merry Christmas Grandma*

This marks the first Christmas without you here with us but your presence was most definitely felt by all. We have missed your smile and grace beyond belief. We have missed you not only this Christmas but everyday since you went to haven's gates. I tried to replicate your Christmas tradition of the money tree and it wasn't nearly as beautiful as the ones you made for years. I know you are smiling down laughing at my struggles of tying the bows of ribbon and my poor decorating skills but I also know you are proud to see that your legacy and tradition will forever live on. You are such a wonderful inspiration and protective guardian angel for this family. I thank you for being here with us in spirit and blessing us by showering us with your endless love this holiday season. I love you, I feel you and I miss you.. Merry Christmas Grandma

“ I have known Gail for a few years now through the SACC program. Most recently, I had the pleasure of working with her at Maugham School for the first semester last year. All the kids loved her. She was always full of life and energy and gave so much of herself to that program. Even toward the end of the year, when she was often out of breath and not feeling well, nobody would have suspected the struggle she was going through because it was masked by her positive attitude and her smile. Her enthusiasm was contagious. She will be greatly missed. My deepest condolences to the family.
