

Geraldine L Gaglio

August 12, 2024

Mrs. Geraldine “Geri” Gaglio (née Manzi) of Tenafly, New Jersey, passed away on Monday, August 12th, 2024. In her 88 years of life, Geri found joy in knitting and crocheting, spending time at the pool club and playing mahjong with her friends, gardening, her strong faith, and many other things, but most of all in her family. She was a beloved wife, mother, sister, grandmother, great-grandmother, aunt, friend, and cat-grandma.

Geri was born on October 29th, 1935 in the Bronx, New York. She is preceded in death by her parents, Anthony and Sylvia Manzi, and by her beloved husband of 55 years, Paul Gaglio. She is survived by her son, Paul Gaglio, daughter-in-law, Cory Gaglio, daughter, Maria Gaglio, daughter, Tina Gaglio, son-in-law, Thomas Terranova, and grandchildren Paul, Christina, Jeffrey, Julia, Amanda, and Thomas, as well as her two great-grandchildren, Sami and Niko, who knew her as “Gogo”. Geri is also survived by her sister, JoAnn Leanza and her husband, Frank, and brother, Joseph Manzi and his wife, Linda, as well as her many beloved nieces and nephews.

Geri took pride in her beautiful family and deeply valued all the time they had together. Geri watched all of her grandchildren in their infancy, and even had the opportunity to watch two of her great-grandchildren. Nothing was more

important to Geri than her family, and her loved ones always knew how much she cherished them.

Geri graduated from St. Simon Stock high school in 1953. She and Paul were married in 1961 and raised their children in Manhattan before moving to Tenafly in 1973. Geri had a wonderful life as a member of her church and community. She worked as a key punch operator at IBM as well as an office manager and a hostess at The Clinton Inn. She also volunteered in the library of the Tenafly public schools, where her children frequently visited her for extra money to buy cookies.

Geri was many things, but above all she was kind, generous, patient, and fun-loving. If there was a new addition to your family, chances are Geri gifted you a lovingly hand-knit sweater and hat. She also knit blankets and hats to donate to infants in local hospitals. She tried many times to teach her daughters and granddaughters to knit and crochet as well, with varying levels of success. Geri took great pride in her garden and loved growing tomatoes, peppers, and cucumbers. If you had a visit with her in the summer, it was rare she didn't send you home with a bag full of produce. Geri spent summers doing what she loved best, taking the sun and swimming at the Tenakill Swim Club, where she was a member for over forty five years. Geri also played a weekly game of mahjong with her girlfriends. She and Paul loved to travel together and took many trips with their family and friends, including Hawaii, Italy, Aruba, and many cruises. Geri took great joy in good food, be it cooking for her family or going out to eat and having a bloody mary or two. Overall, Geri's life was full - of family, love, laughter, and fun. She will be deeply missed by all who knew her.

“ God gives us angels to help us through life; My sister was one of them.

“ Aunt Geri was a second mom to me in late high school, she toasted the best bagels and always had a cup of steaming coffee ready for me after a night in the basement partying for way too many hours. I spent at least 4 NYE countdowns upstairs with Geri while the party celebrated downstairs. It felt right to be sitting with her. I will miss Aunt Geri.....

“ I will always remember the summer of 2005 at the Tenakill Swim Club. My second child, John Michael, was a very fussy newborn. Geri used to hold him and rock him so I had time to swim and play with my older son. When JM would wake up, she gave me a sign that it was time to get out of the pool! I guess it is fitting that our beloved club is closing since it would simply not be the same without Geri in “our corner”. I always said I hoped to grow old like her. She was amazing. Always pushing herself to do as much as she possibly could. She never complained about her health or getting older. She only complained if someone took her table at the pool on Sunday if she was late getting to the club from Mass! She loved to talk about all her family, immediate and extended, (including Felix) showing us pictures and sharing their adventures. She truly was one of a kind and she will be sorely missed. Try to cast some sun down us in these waning days of summer. Then we'll know you are with us. RIP, Ger.
