“ *Dear Sal and Raphaela. Linda, myself, and the girls send our sincere condolences to you and your families on the passing of your mother. It has been our great pleasure to have known Giovanna these many years. Especially for me, being in the company of your mom and dad was always a pleasure, and to be witness to the affection they had for each other was inspirational (even if I couldn't understand all the Italian being spoken!). It was all about family for them and their love for you both, Marcella, and the grandchildren. Our apologies that travel prevented us from being there for the services, but we will see you soon. Take comfort in knowing that your mom and dad are together again, hand in hand.
Love, Steve, Linda, and the girls.*
