

Glenda P. Willard

April 13, 2023

Glenda P. Willard, age 89, Tenafly, passed away peacefully on Thursday, April 13, at Care One Nursing Home, New Milford, NJ. Glenda was born to Lacey and Violet Walkup in Greenbrier County, West Virginia. Beloved wife to the late Charles (Dutch) Willard of 65 years. Devoted mother to Jennifer Cohen (Alan), Elizabeth Willard (Brenda Alnemy), and Edward Willard (Lisa Dunkerley). Glenda leaves behind one brother, Leighton (Dorothy), and one sister, Sandra (Richard), as well as many in-laws, nieces, and nephews. Previously departed loved ones include sisters Connie May (Herb) and Ina Claire DeLong (Jim) and brother Lowell Walkup (Helen).

Glenda was an adored Nana to grandchildren Danielle (James) Palazzo, Brandon (Samantha) Cohen, Cali and AJ Willard, Melissa (Ivan) Vias, and Renee Alnemy (Serena Stiff), and “gave sugar” to great-grandchildren Olivia and Louis Palazzo and Bode Cohen. She lived with Dutch and their children in New York State for 17 years and in West Milford, NJ, for 22 years before retiring to Delaware, then Mississippi, and returning to NJ. Glenda was a wonderful mother and Nana to all; we will miss her hugs and always making our favorite meals. The family will remember her by enjoying the things she loved best: being with family, bowling, and playing cards (31, with “Nana Rules”).

The family requests donations to American Diabetes Association, 5 Franklin

Ave, Belleville, NJ, or diabetes.org.

“ Beth and I (Terry) were somewhat mischievous and Glenda put up with all we did. She always welcomed me in their home and fed me. Thanksgiving was always special because I was invited for stuffed artichokes which were amazing. Rest easy Glenda and be easy on Dutch, lol.
