“ I met irene in an unconventional way. She had placed an ad in the local paper seeking “hungry creatives” and I answered her call. She was one of the most glamorous, dynamic, talented and demanding women I’ve ever known. Her fierce love for Our Lady was incredible! Her love for her son Chris and her husband Fred was admirable. I was not able to spend the time I would have liked with Irene, yet she was an important person in my life and Marian faith. May the memories keep her alive in our hearts and minds. God bless her family and friends in this time of loss. I for one will miss her big presence. Irene Rest in Peace my friend.

“ Beautiful Irene and I were friends since we were 10 yrs. old & were like sisters. I remember when we were in the girl scouts together at St. Mary's church hall, Jersey City. We learned the girl scouts salute-the thumb holding down the pinky, meaning the " Good conquering the Bad". We were so proud to wear our uniforms & learn new things. And in Ferris High School doing a performance for our French class & the whole school. I sang "La Vie en Rose" in French & Irene did a spectacular Apache dance , which is a French dance, where a female dancer & male dancer disagree and there's a lot of shoving and dramatic tossing around . Saw it in a Gene Kelly movie at the time. Irene taking many dance classes since she wanted to be a professional dancer, actress & singer . And I wanted to be an actress ,singer dancer. We did a lot of studying & off-Bway shows. Irene's first Broadway show was "Gypsy" and went on to other shows including "Fiddler on the Roof ". But her most heartfelt joy was having Chris as her son. May Peace & Love Surround You Dear Friend. Natalie Costa-Marron
