“ Growing up across the street, the Bedula family and the Rambusek family were like extended family. Vacationing every year together, Janet was a huge part of my life. Earlier with the age difference, she was my babysitter. But as I got older, we became close friends. The laughs that we had over the years, whether it was singing California Dreaming at Mooseheads, or sunbathing in the dunes on Cape Cod, we had so many wonderful times together. I am so grateful for her friendship throughout my life and it seems so strange to say goodbye. Thank you for being the sister I never had Janet. Love you and miss you.
