“ Oh my, I had no idea! It was so unusual not to get a Christmas card from her. She was the best friend ever in 4th-6th grades. We played paper dolls for hours on end, made clothes for them, etc. Last Christmas (2021) she never mentioned she was sick. We have kept in touch all these years and she even visited us when she was on Cape Cod & we spent a day at the beach with our grands. Family, if you should see this, please let me know what happened and if she passed peacefully. My email is [durstoncape29@aol.com](mailto:durstoncape29@aol.com). Sending continued prayers and blessings for her life. I was honored to have known her & call her friend. Barb (Bo Eastman) & Ken Durst

“ I was so sad to learn of Jan's passing. She was a very child-centered member of the Englewood community through her work with Girl Scouts and the public schools. To Jenny, Molly and Andrew: your mom was an amazing woman. She was an important part of my life and I am blessed to have known her. Much love to you three and her grandchildren who she must have adored.

“ I haven't seen Jan in a couple years so I am so sorry to hear of her passing. Jan and I met through our work and interest in the Englewood Public Schools when our kids were little. Jan was one of the kindest, genuine, least pretentious, and fun-loving people that I remember knowing in those “old days”. She was a terrific person and a memorable Englewoodian! She will be missed.
