“ So many memories I wouldn't even know where to start. I was only 4 when I first met her. Robin and Debby became my sisters I never had. She was always known as “Mrs. Conkling”! She always made my favorite breakfast when I slept over, favorite pasta for dinner, and the best potato salad EVER, must had been that yellow bowl!!! Vacations down the shore and up on the cape. Girls lunch at Charlie Browns. I never saw her mad, always a smile. She has been away from Mr. Conkling, someone who meant so much to me too, “Bobecker” my cherished nickname, for a long time, a blessing they will finally be back together where they belong. Rest in peace ❤️🙏
