“ Jean Goldner DeSantis was my 6th grade teacher at the Alpine School in 1962-63. She was an exceptional, caring and inspirational teacher. My favorite memory is that she took me to the teacher's room kitchen where she taught me how to make her cup of tea, something I had never done (never had any kitchen experience before this). This teachable moment meant the world to me then and still does. Diane Ellicott Kwiatek, Beverly, MA
