

Jeanne Moles

July 21, 2020

Jeanne (Dinan) Moles, a beloved mother, sister, grandmother, and great-grandmother, passed away peacefully in her home at 88 on July 21, 2020. A lifelong New Jersey resident, Jeanne met her husband Bill when the two worked together at Seir Bath. They later married in 1954. The couple was blessed with six kids, who Jeanne loved and cared for with her whole heart. After her kids were older, she started working at Consumers, a catalogue store, in Tenafly; she also took up a job as an adored lunch lady at Tenafly High School.

Jeanne was a lifelong VW Bug driver and she loved to travel, especially to see her fourteen grandkids. She spent her summers hanging out with her friends at the Cresskill Pool and at the Jersey Shore. She blessed the pews as a member of St. Teresa Church in Cresskill for fifty years and spent years volunteering for many different organizations – too many to count, in fact. Jeanne is survived by her 2 sisters, Joan and Pat; her 6 children and their families Chris (Jill), Greg, Matt (Angela), Tim (Rachelle), Lisa (James), and Kathleen (Jim). All who knew her will miss her wit, caring ways and love she shared. We pray she is in heaven with her husband Bill and all the family and friends she has missed.
