“ *Daddy, Grandpa,*

Words cannot describe how lost we are without you. Our world will never be the same. You were our foundation, our rock, in every situation and storm you were there with advice and strength. What you have instilled in us we will hold on to and never forget. We are glad you are not suffering anymore and we know you are walking in heaven and running with trooper and catching up with friends and family and all your pets.

This was an incredible man, husband and cherished father and grandfather.

He could talk to and loved to talk to anyone and everyone. Anyone he met knew what a kind and humble person he was. He never turned a stray animal away, he always gave them a home. He was an amazing photographer and was always working in his tool shop or his garden. We will love you forever Daddy .Kisses, hugs until we meet again.
