

Joseph M Procida

March 31, 2021

Joseph M. Procida, devoted husband of 60 years to his late wife, Dorothy, peacefully passed away from natural causes on March 31, 2021 at his daughter's home in Closter, New Jersey. Joe was 88. The son of Mario and Mary Procida, who immigrated from Italy, Mr. Procida was a graduate of Cardinal Hayes High School and served in the U.S Army. After serving in the Army, Joe continued his father's legacy, leading Procida Construction Corp. for over 30 years. His proudest accomplishments were his family and the buildings he built, notably the River Café and The Water Club in NY, as well as the many friendships he made along the way. Joe's interests were many. He relished travel with family and friends, nights at the opera, and teaching and coaching. In his youth, he was an accomplished amateur boxer. Joe lived life to the fullest. "He left nothing on the table" or "great guy" have been phrases used to describe him, (often followed by a friend's favorite "unforgettable" Joe Procida story). He was an avid pilot for over 20 years, cherishing weekend flights to places along the east coast. A self-taught, award winning winemaker, Joe loved spending weekends picking and crushing grapes with his band of fellow vintners. To his children, Joe was larger than life. To his many friends, he became "Papa Joe". To his grandchildren, he was "Grandpa". Joe is survived by his 4 children, Mario, William, Christine (Albericci) and Joseph, and leaves a legacy of 13 grandchildren and 2 great grandchildren. Services were held privately. “ I never had the pleasure of meeting Joseph but I have had the pleasure of a wonderful business relationship and more importantly friendship with his son Billy. I can only imagine what a wonderful father he must have been as Billy is one of the most authentic, genuine people you can know. Billy has touched many lives in a impactful way myself included and that can only start with the special traits Joseph passed along.

“ Joe Procida built quite an empire in his lifetime. He has children and grandchildren who are each more intelligent, beautiful and kind than the next. Yes, he had buildings and planes and cars, but more important than those things, he created a family who would stick together in all situations. As you can see from all these messages, he also extended himself to friends and coworkers and treated everyone like family. Dorothy, who is clearly situated prominently in heaven, has been looking out for everyone for the past few years. Joe will join her with great pride as he watches over the Procidas. My best wishes to you all as you grieve and celebrate his life together.

Fondly,
Holly

“ Papa Joe,

We all knew this day will eventually arrive but we were never ready for it. Papa Joe we will always remember all the beautiful moments, the legacy, the footprints and all the lives you touched on this Earth. Joe, will always remember how you were often quarreled with the Subcontractors as you negotiated with them but somehow you always remained friends. You knew how exactly how to separate business with pleasure & that's a skill that doesn't come easy to everyone. And let's not forget your Wine making! Loved that Limoncello! Loved all the Corrados Wine Tastings extravaganzas we attended with you & Dotty! How you loved to sway on that dance floor! And will also remember how I always secretly reminded you of Dotty's Birthdays! You always forgot!! Remember how you went above & beyond to gift her such beautiful Jewelry. We all knew she would eventually return them but the gesture has always been memorable! Lastly, can't forget when we were having our house built how you took out of your time to meet with our builder & coerced the builder to take care of a water issue. I think you used your charm & good looks to intimidate the builder into going into his own pocket & resolving the issue. Joe you always did things your way! You treated my family like your own family & that's something that we will always cherish.

May You Rest In Peace.

Love You Always,

Annette & Eddie 📄🙏🙏

“ My sincerest condolences to the Procida family. Joe was a man who was larger than life, who's word was his bond and certainly a character who will will be sorely missed. My only customer who felt the need to take better care of me even though I was supposed to entertain him. Wherever he went he made friends.
Rest peacefully Papa Joe.

“ I worked with the Procida's for 10 very fun years. My favorite memories of Joe were when he would come back from several months at Duke(?) after losing 50-100 pounds and we would go to a large Italian lunch on Arthur Avenue to celebrate. My condolences to Mario, Billy, Christine, Joey and the entire Procida family.

What I can say is that many callers often ask about Joseph M Procida AKA "Papa Joe". Many say how they adore him and that they have fond memories. I wish I had the opportunity to have met "Papa Joe". He built a legacy with Procida Construction, one that his children are doing him proud. Papa Joe may your legacy live on. may you rest in peace.*

“ Mario,
My condolences to you and your family, losing any love one hurts,
we will miss them but their passing also reminds all of our own
Morality.

*But I'm sure he will always be in your heart and mind and you'll see
him every time you shave just as I see my own pop.*

*I remember the first time I heard you father scream out at a Bergen
Catholic basketball Game- as I sat on the bench and looked up to
hear the loudest voice in the Gym - he was easy to spot -Large
Cowboy Hat and Big Grin sitting with your little brother ,
Encouraging you and the team as you took a shot at a basket or
passed a touchdown pass- he was your number 1 fan and was a
staple at every game-*

*May God Bless him, rejoice in the knowledge that we will all meet
again.*

“ On behalf of the Leonetti Family, we wish to express our condolences for your loss. Joe was certainly the patriarch of the Procida Family. How fortunate we all were to have Uncle Joe in our lives; and even in his latter years, how he lived with style and Grace.

I have many fond memories visiting our grandparents apartment on 7th Street and day trips Mario and I had with Uncle Joe. Imagine going to Coney Island in a T-Bird convertible and the riding the Cyclone at five years old in the same day! Pretty awesome.

He will be sorely missed, but although gone...certainly never to be forgotten. We were all blessed to have him with us for all these years.

“ *I worked for Mr. Procida (I called him Mr. because he deserved that respect and he was intimidating) offered me a job in his construction company in 1979 when I wanted to learn the construction end of the business as I had just graduated as an architect and just received my license and realized I had no experience in construction and knowledge in what I was drawings. Mr. Procida offered me a job as a field super and personally took me under his wings and gave me the base of my construction knowledge that made me a better architect. Thank you for believing in me and giving me the foundation for my architectural career. I will always be grateful for your knowledge and wisdom you have imparted to me in the 2 short years.
