“ *I haven't seen Joe for over thirty years. We shared a mutual good friend from his banking days. Without question Joe was fun to be with, good natured, fair, likable and a great host the few times we got together. I can picture him smiling and sharing a good conversation. My condolences and my prayers are with you all.*

“ Joe is a Legend! Wonderful Man, Good Husband, Great Father! Known him 48 years and doesn't seem that long ago when I first met Joe freshman year at Georgetown University. Friendship endured through trips to Vegas, the Derby, and London too! We even started bringing our sons to Vegas with Joe teaching the younger ones the fine art of race handicapping and the really brave ones, the nuisances of craps. We will miss Joe's rapier like wit. He loved to poke fun at us and and himself too! Enclosed is this year's group photo! This loss is all so sudden! Prayers for the Snow Family! I miss him already because he would have jokingly made fun of something I wrote.

Joe, you are still man just now at peace. God Bless!

“ Joe was my Assistant Section Chief when I first started out in the Banking and Insurance section. He was a mentor to me and was instrumental in teaching me the Fraud Act. He was always available to discuss cases and was a very kind person. He will be sorely missed. For his family, I hope your good memories of Joe can provide some comfort during this difficult time.
