“ I will always remember how welcoming Mrs. Gold was to me and later my children. She was always interested in what I was doing, as if she were my own mother. I was privileged to know her and to have such happy memories of visiting with her. My condolences to your family.

Love,  
Martha Kramer

“ Dearest Aunt Joyce. The memories of you since I was a small child are of a smiling, laughing loving aunt. Those memories of you begin with a visit to Watertown NY as a small child, continue with your apartment in Riverdale, your home in Worcester MA, your homes in Teaneck & Damascus PA and my homes in Woodmere NY and Rehovot Israel (twice in Israel – once when our daughter Shiri was a baby and again with Uncle Allen for our son Adam's barmitzvah). The lively Passover seders at our home in Woodmere and the Thanksgiving celebration at your home continued for all the years until I moved to Israel. Our last family visit to the US in 2012 was topped off by the great Passover seder in your home when Shula & I and Shiri and family (who were on Shiri's husband's post-doctorate in Maryland) came to your seder. I have attached a picture taken then in your kitchen of you, Shiri and her children Rotem and baby Alon. That is how I remember you with all my love. Michael
