“ She was our neighbor for many years. We will always remember her for her kind and gentle heart and we are grateful to know she is at peace. Tim and Linda Patryk

“ My absolute favorite memory is when she & I HAD to get sandwiches from Kings before one of our away basketball games. We got delayed which resulted in the bus waiting for us. She & I bee-bopped onto the bus as if nothing was wrong while “Lenny” glared at us in silence. When the game started he benched us for the first quarter finally letting out his annoyance with us - but I can still hear Magoo telling this story with all the “excuses” as to why we were late - every one getting funnier that even Lenny had to smirk. I can still hear her telling it now and it will forever make me smile! RIP Goozie - thanks for all the laughs, memories, and for your love & friendship.

I could totally picture my dad (“Lenny”) giving that silent treatment while imploding on the inside AND benching you both for the first quarter! What a great memory and story...they are now BOTH having a giggle about it together in Heaven, I am certain. My sincere condolences to her family and friends. R/ Maria Leonard

“ I will always remember her smile and her gentleness. She was a blessing to all who knew her. Nothing ever seemed to fluster her! I know she is in Heaven with her folks. May God bring comfort to all she knew.
