“ It was a pleasure and privilege to know and work with Kevin at Apple Ridge. He was a true landscape artist and knowledgeable horticulturist, and we are the beneficiaries of his talent. Kevin’s sense of humor and warmth never left him, despite his challenges, and he will be irreplaceable. My heartfelt sympathy to Peggy, Tyler, and family!

“ To our DEARLY BELOVED Kevin....

*How could we ever thank you enough for your creativity , landscaping genius and hard work in helping transform the Apple Ridge Community into the stellar community that it has become. It would not have been possible without you, Peggy and even Tyler who helped prepare our perennial beds. Kevin, every day you bring a smile to the faces of the 250 residents of Apple Ridge as they enter our community gates and are welcomed by your beautiful plantings.*

*May Peggy and Tyler be comforted in knowing that the trees, shrubs, perennials and wildflowers that you planted will live on for 100 years and longer for the enjoyment of both current and future residents of Apple Ridge.*

*Rest in Peace Kevin..... you will be truly missed.*

“ Kevin was such a kind, sweet and talented person. He did much of the design of our landscaping at Apple Ridge and Jerry and I will think of him whenever we pull into our development. We were amazed by his sense of humor that never faltered throughout this horrible disease. Our hearts go out to Peggy and Tyler. And I'll always remember that he thought my carrot cake rivaled his favorite one in the Bronx. --From Beth Grossman and Jerry Zaks

“ Kevin is one of the kindest, gentlest people I have ever had the pleasure to know. The kind of person you meet and immediately like. A number of years ago, Kevin knew that I wanted to get my Les Paul guitar autographed. Knowing that Les was living in the same town, Kevin found a way to get it to him to be signed, and made my dream come true. For that , I am eternally grateful.... for having known Kevin , I am even more grateful. Rest In Peace brother. God Bless you!
