*I had been trying to get in touch with your mother for three years ,as she had always called me before in Florida . Helas even when I knew she was living at 24 w Clinton road ,I went to the building and no way could I enter . Lillian was a great woman , may she rest in peace, and no one can equal her .I will miss her always .Please keep in touch

“ *Tamini, Scot and Roger, I have not seen your mom since my mom's funeral and I was just thinking of her a couple of days ago. I am glad that I had a chance to see her and think about some of the times we had spent together. I am so sorry for your loss. Peace and love, Barbara (Goldman) and Bob Tedesco*

“ *My sincere condolences to all of you. Your mother always left me with such a strong positive impression,as a boy growing up in middle & high school. I never forgot her brand of tough love and undying support for the three of you and all your friends. She was a great example of resilience, support and encouragement. She was an exceptional woman.
