“ Dr. Tadros was loved and admired by many. He was kind, caring, and so generous. I will never forget the honor and pleasure of working with him every Wednesday at Niccollai. He was so patient and a true gentleman. He loved taking the office out for the holidays, and we enjoyed endless lunches and summer get-togethers thanks to him.
He had such a kind spirit, loved his family, and adored his grandchildren. Heaven has gained a new angel. Dr. Tadros, you will be missed!

“ I am so saddened by the loss of Dr. Tadros. I had the honor of working with him for 19 years. During that time he and Renee opened their home and hearts to me. I will never forget the pool parties and Christmas gatherings he organized where he would make us feel like royalty, in true Tadros style. I have never met anyone more genuine, generous, gentle and kind. To have known him was a pure gift.
Rest in peace my friend.
Sincerely,
Lina Salluce
