“ When I moved to Bergenfield from PA Mrs. Caputo was my first teacher. I felt like a fish out of water and was very intimidated. She was so sweet and made sure that I was ok. I never forgot her kindness and I was saddened to here of her passing. She was a light in her small corner of the world.

“ It was truly shocking news to hear of Marcy and Mike Caputo's passing. These two people were the most genuine, kind-hearted, and down to earth folks in the world. The vast amount of great stories that they shared when they were in the teaching profession. Rest in Peace my dearest good woman and man. You will be sorely missed. The world was a much better place with the both of you in it.....

“ I was very much saddened by the passing of my dearest friends Michael and Marcy. Michael, we were like brothers. We met in 1962 when we started our teaching careers at Ridgefield Park High school. You were Aunt Marcy and Uncle Michael to my children. We truly valued your friendship for the pasted 57 years. My family and I have many fond memories of the times we spent with both of you at your cabin in Pennsylvania.
Rest In Peace My dearest friends.
With True Love and Respect,
