“ I first met Margaret then known as Margie when I was a young child and she the teenage girlfriend of my cousin John then known as Johnny.. What a sweet couple. I was impressed. Then decades passed & the sweet couple was still together with children & then grandchildren. I always thought I would see or talk on the phone with Margaret. We disagreed alot but always remained civil. Now those days are in the past. We never know do we. Anyway Margaret it was good to know you !
