

Maria Reyes

April 6, 2020

Maria Reyes was born May 7, 1941 to Patricio and Ana Mercedes Reyes in the Dominican Republic. Maria immigrated to the United States in October of 1964 and made a home for her family in New York where she lived out the remaining years of her blessed and beautiful life. Maria worked in retail and as a window designer in Manhattan for many years. With a strong love for helping others, Maria was often found cooking for neighbors, friends and family; as well as having company over to enjoy music, laughs, and conversation. What Maria loved most of all was beautiful flowers and photos of her loved ones. When you walked into her cozy home you would be instantly greeted by family pictures, telling the tales of how loved she was and how deeply she loved others. A true ray of light in the world, a light which was too soon extinguished. Maria returned to the embrace of the Lord on April 6, 2020. Preceded by her late husband Rafael S. Martinez and leaving behind her heartbroken and devoted children Ana M. Rivero and her husband Roney D. Rivero, Dr. Soraya Sawicki and her husband Chet J. Sawicki, Rafael Martinez Jr, and Eddie Martinez and his wife Julissa Perreaux Martinez. Maria was a beloved Grandmother and Great Grandmother to her grandson Roney C. Rivero, her grandson Luis R. Crespo Jr. and his wife Joselyn Crespo and their son Esteban Crespo, her granddaughter Stephanie M. Crespo and her children Kialisse-Shannel Santana, Justin E. Fontanez, and Franco C. Cabrera. her grandson Steven M. Crespo and his wife Casey A. Repetti and their son Steven A. Crespo, her grandson Rafael M. Martinez, her

granddaughter Alichia Abreu and her husband Aaron R. Henriquez, her grandson Edriss Martinez, her granddaughter Jayda Lopez and her great grandson Aaron R. Henriquez Jr. Also, survived by her sisters Enriqueta Cabrera and her husband Pedro Cabrera, Altagracia Reyes and her husband Miguel Castillo and all her nieces and nephews.

John 11:25,26

“Jesus said, I am the resurrection and the life; he who believes in me, though he die, yet shall he live, and whoever lives and believes in me shall never die”

Please light a candle and say a prayer in her honor in lieu of flowers.

“ In my life I had never met such a wonderful, beautiful, kind soul. You truly lived without judging others, you were so kind, affectionate and loving. You are truly missed, "la comadre" like you and her called each other, "la morena" misses you and to this day asks for you, and your baby grandson, "lingilin" will forever carry you in his heart. You were the one person I could talk to for hours and always had so much to talk about with. Your son has the same heart as you and I promise to always take care of him and protect him as you did. Rest in peace, this world had nothing left to give you. You truly lived like Jesus, serving to your last breath, giving your last penny, always looking to see who or how you could be of service to all. I miss you, but I know that the way you lived, I have to go it right to see you in the kingdom of heaven because for sure I know you will be there. I love you...

Till we meet again...

“ No existen palabras para expresar lo que sentimos porque pasaste de ser nuestra tía política a formar parte de nuestras vidas y nuestros corazones al bautizar a uno de nuestros hijos y eso trasciende a todo tipo de relación entre los seres humanos, si empezamos a enumerar sus cualidades sólo los hechos serían los llamados a gritarlos a los cuatro vientos. Nos queda pedirle al Altísimo que te dé la paz eterna y esperamos verte allá. A sus hijos, que también son nuestros, tengan resignación y consuelo que estamos junto ustedes en estos y siempre. Los amamos.

“ *Madre amada, nuestros corazones están rotos, nuestras vidas tienen un gran vacío, nos dejaste tan rápido que nos cuesta aceptar que ya no te veremos, que ya no oiremos tu voz. Nos queda en el recuerdo tu linda sonrisa, tu ternura, el profundo amor que nos dabas. Solo nos queda pedirle a Dios que te reciba en su Reino y nos de fuerzas para aceptar su voluntad. Y a ti madrecita pedirte que cuides de tus hijos, que cuides de tu familia y cuides de todos nosotros que tuvimos la dicha de ser parte tu vida. Descansa en Paz mamá María!!!! Nos haces mucha falta 😭🌹*

“ You were and will always be the heart and soul of this family. Being with you brought me the most happiness and peace i have ever felt. Your laugh was pure magic and the love you had for everyone radiated from you so strongly that we all felt it as we shared the same room as you. You are the best part of us and your memory will never fade like the light you brought to us all. I love you so much.

“ To my Beautiful Grandmother, Words cannot Explain the hurt I feel this pain is undeniably devastating. You’ve taught me so many things, and have told to accomplish any goal I have in Life. & I will. You didn’t get to meet my son and it’s very heartbreaking but I know your watching over us. I love you Grandma and I am eternally grateful I’ve had someone with such a beautiful Soul in my life.

“ Mom

I have no words that can come close to say what I am feeling right now . The pain is so deep

So piercing in my heart, that I feel I can't breath. I feel like I'm suffocating in a nightmare that does not let me wake up .. but I am awake and it is real .. you are not here, you are gone, my calls to you your calls to me, I have your voicemails I could hear your voice !!

I will not ever accept this ! It can't be true, that my queen my hero , my mom is not here !! My heart is broken, into millions of pieces !
