“ *Susanne and Family. I am saddened by your loss. I have never met Mark in person, but spoke to him on the phone 100+ times over the last 4 years. He was so passionate and upbeat. We had the best conversations and he always had a great story to tell me. We were waiting for NY to open up more so I could fly there to meet face to face. He asked me about my 12 year old daughter on every phone call. Love and blessings*

“ *My dearest sympathies. I knew Mark all through grammar school and high school. In 6th grade I had a crush on him and he always used to write “Shak attack” on my book covers to tease me. A fond memory and so sad to know of his passing. I’m so sorry he is gone but will never be forgotten.* 🙏🌹
