“ I had the pleasure of meeting Marty when we first moved to Englewood 27 years ago. My neighbor recommended him to me to fix a leaky roof, and let me tell you, that roof is still dry and tight. He could fix anything, solve any construction project we threw at him, and always with creativity and skill. He was a graduate of the Stevens Institute, and was happy when my daughter went to college there as well. He worked with my brother, who was also a carpenter, on remodeling projects around our house. We all loved him, and we were so happy when he met Michaela, and found happiness in his marriage and new family. We will miss him dearly.

“ I got to know Marty almost 20 years ago after he met his wife, who I had been friends with for many years. Marty was just a great guy all around. With his steady, calm and thoughtful demeanor, he was the rock of his family. He was also a skilled and hard worker who rarely took a day off. While I, and two other friends did help Marty with one of his bigger projects, which was quite hilarious, he helped me with many of my own little projects. There was just nothing he didn't know how to fix and he never turned down a request for help either. Marty was well known and liked in Tenafly and beyond as I found out on our many walks around town. He also liked to spend time sitting on his deck. He absolutely loved his family, the outdoors and most of all he loved to laugh. I was glad to be able to spend time with Marty over the last few years and liked nothing more than to joke around and put a smile on his face every time I saw him. Marty, you were a kind and gentle giant with a big heart and I will miss seeing you and that big smile!

Sending our thoughts and prayers for the family of Martin Leutgeb at this difficult time. He was a friend for over 60 years. We have worked together on quite a few jobs. My dad knew him way back in the 60s. Marty told us about his trek to Woodstock and other things during coffee brew on jobs. He will be greatly missed. Sincerely, the Abbott family from Abbott & Sons painting

“ Marty was a joy to have as an assistant coach with the Mets in Dumont Little League. He was patient, supportive and always even-keel. I remember his joy when his step-son Max hit a playoff game-clinching homer, his first in little league. He will be missed by all, especially his family which I knew meant the world to him. God bless the family and may he rest in peace

“ My oldest son had the pleasure of being on Coach Martys baseball team years ago for 3 straight years. He to this day is one of our favorite coaches. He was the only coach at the time that showed a true interest in my son/the kids on the team. He didnt care about the win as much as teaching the kids and making sure they had a great time. You will be missed Coach Marty! Thank you for everything you did❤️

“ I have known Marty for the past 10 or 12 years as a neighbor at Lake Kemadobi. Marty and I became almost instant friends because of his warm and friendly personality and being easy to talk and laugh with. I will always remember the good times we had at the lake, especially just he and I sitting around the campfire having a drink and talking. Marty, May your soul Rest In Peace with the Lord in Heaven. “ My dear brother, Marty, was such a kind, loving, caring, and generous person. He was a good son to his parents. Marty brought so much joy to so many people. And funny - he sometimes did the most outlandish things that were hilarious. His laugh was so hardy that I can hear it now. He worked so hard but loved being busy. I remember being with him in Mudersbach Germany, where our mother was born. He had been there many times and people knew him well. We were walking down the street and folks were opening their windows to say hello to him. Everyone who met him loved him. He loved his wonderful, loving, and caring wife, Misha, and his children, Michelle, Max, and Mikkel. All of his nephews and nieces will always remember “Uncle Marty” as will I, his sister, Anita.
