

Mary Jean Quinn

November 14, 2020

Mary Jean Quinn lovingly known to all as “Jeannie” of Cresskill, NJ passed away on November 14, 2020.

Survived by her loving siblings Pat (husband Desi) Bailey, Stephen Quinn and Edward (wife Denise) Quinn, cherished nieces and nephews Christopher, Caitlyn, Evan, Natalie, Connor and Shayna. Born on December 22, 1961 in Teaneck NJ Jean attended Our Lady of Mt. Carmel grammar school and The Academy of The Holy Angels High School. From there Jean went on to earn a B.A. in Marketing/Business at Pace University in NYC.

Jean lived her entire life in Cresskill, NJ and had a long and highly successful career in the Beauty Packaging industry as a Sales Executive. She was directly responsible for positively and significantly impacting her company’s growth at existing and new clients. She put many a company’s that employed her “on the map” within their customer/client community. Most recently, Jean was working for the US Census Bureau helping to collect and collate data critical to the 2020 Census’ accuracy.

Jean was the “Aunt GiGi” that was incredibly adored and loved by every one of her nieces and nephews. She was that loving aunt that every family has and every family deserves to have. A true best friend to many of those who knew her. A very wise, honest, generous, loving, passionate, hilarious and tough as nails sister. For those of us close to Jeannie, we know so well that she would give you the shirt off her back but she wouldn’t give you an inch. It was these qualities that made her so lovable and sage-like. You will be sorely

missed by everyone you touched in your life. You certainly touched so many people in so many ways. We thank you Jeannie for being you and only you. Considering the current pandemic resurgence, a Memorial Mass will be held Saturday, November 28, 2020 at Our Lady of Mount Carmel, Tenafly, NJ. At 10:30 A.M.

“ My dear, dear friend, you have left us way too soon. The selfish side of me is angry . But the humbling part which has taken over knows your soul is at peace. I will forever be great full for the time we did have together be it near or far. The road trips with tear streaming laughter, the endless phone conversations and the admiration I had on your strength and tenacity for life will remain in my heart forever. Your smile that lit your eyes, your laugh that could fill a room and your sense of humor went hand in hand with your vivacious personality. I will always keep the place in my heart where your memory will not be forgotten. It is with great sadness I say goodbye. I thank you for your friendship and wish you to rest peacefully. You will truly be missed by all that had the privilege of having you in our lives.

“ *I am still trying to wrap my head around the fact that Jeanie is no longer with us in physical form. She has shaped my life and - unknowingly- put it on a trajectory that is still ongoing today. I have no doubt that I am only in the US today because I looked up to Jeanie when we were both teenagers.*

Jeanie, you were one-of-a-kind as they say: Determined, opinionated, and loving with a heart of gold. While our political views may have differed greatly in recent years, our spirits still always "synched" at a higher level.

I miss you already. Say Hi to you parents and my dad for me. The 4 of you can now party together. And I have no doubt that you will!
