“ *Matthew Morgan roamed the secondary for our football team and the outfield for the baseball team. A true athlete to say the least. This fact was evidenced by his willingness to be a coach. Matt was quick with a joke, and just basically lit up any room that he was in. Going to miss his laugh and how often he used it. He will always be part of our Championship Season, helping the squad to an undefeated season. Matty Mo will live on in all of his teammates!!*

“ My deepest sympathies to Matt’s family. Matt was a great guy. We sat next to each other at work in Jersey City. Matt talked about his children all the time. He always showed me the many pictures of his daughter and son and all the goings on in their lives. I will miss him greatly.

“ I just recently got reconnected with him last year as the current HC football was going undefeated and we picked up where we left off. He was so excited to connect with our teammates again. Gonna miss him for sure and was taken way too early - Crow, Class of '92

“ Deeply saddened about Matty Mo's passing. Prayers and thoughts to all of the Morgan Family. He was a great friend and teammate. Always kept me out of trouble at his Free Safety position. Great man and great athlete. Always remember the great times especially at Cape Week in 92' and our undefeated football season in 91'. What a special person Matty was and he will truly be missed. God Bless.

I will always love Matt! I've known him and his family "forever." I have also had the opportunity to know and teach his wonderful, talented children, niece, and nephew as well,lucky me! Whenever I think of him, I smile, and I always will. We were all so fortunate to have witnessed his talents, and the passion he had for family, sport, kids (even beyond his own), and his perennial quest for success and excellence.....

*XOXO to all of the Morgan's and the Miraldi's,

I am so sad to have learned of Matt's passing. I was his coach and recruited him to Holy Cross . Matt was always very special to me as I got to know him and his wonderful family through the years. Matt was a loyal friend who was happiest when he was with Jack and Maddie. Countless times he would text or call me to talk about how proud he was of his beautiful children and their accomplishments. Matt was special and he loved his friends and family above all else. May the many special memories you all shared over the years provide some peace and comfort at this time. God Bless you Matt and may you rest in peace my friend.

My sincere condolences to the Morgan Family. Matt was an exceptional co-worker of mine for many years & became my manager for a few of them. Many good memories of team lunches and long conversations about the Yankees. Rest in peace brother.
