I was very saddened to hear of the passing of Dr. Kailas. He treated my mom for many years as she battled courageously with Parkinson's Disease. Dr. Kailas was so kind and sensitive to my mom as well as to me and my family. Although my mom passed away ten years ago, I will never forget the excellent treatment she received from Dr. Kailas. He showed kindness and understanding to mother and our family as well.. I have never forgotten him. I hope that his family finds comfort in knowing how much he greatly touched our lives. Sending love and sympathy to his family from the family of Madeline Quinn

“ Our hearts are full of sadness as we look at this beautiful picture of Dr. Kailas. How blessed we feel to have known such a wonderful doctor (a true diagnostician) but even more so a man with such a caring and giving soul. He truly cared about each and every patient and that was evident by the time he took with both my dad and myself. I still have a note Dr. Kailas wrote to me congratulating me on the good results of an MRI he ordered for me and it still makes me smile. We feel like it was just yesterday when we last saw the doctor in his office and later spoke with him on the phone. Memories of a man we will never forget, feel grateful for and treasure always. Dr. Kailas will always hold a special place in our hearts.
Hugs and prayer to Mrs. Kailas and Elisa and the entire family.

“ Dear Kailas Family,
Many years ago when I was a medical resident, we had to rotate through Holy Name Medical Center in Teaneck.
Everyone always looked forward to it as we would get to make rounds with Dr Kailas.
I still have fond memories of that time, I hope your fond memories will carry you through this difficult time.
Dr Kailas and the family will be remembered in our prayers,
With deepest sympathy and respect,
John Joseph (Jack) Smith. MD,
