“ I am sorry to just hear about Michael's passing. Growing up next to his grandparents at Kemah Lake NJ he spent some summers there with his brother John, and his parents. I remember him always being about football football. RIP Michael, I hope there is a football game in heaven daily.

“ God looked around His Garden and found an empty place. He then looked down upon the earth and saw your tired face. He put His arms around you and lifted you to rest. God's garden must be beautiful; He always takes the best. He saw the road was getting rough, and the hills were hard to climb, so He closed your weary eyelids and whispered "Peace be thine." It broke our hearts to lose you, but you didn't go alone, for part of us went with you the day God called you home.
RIP Michael

*Dear Mike,
Parting came with words unspoken and all our hearts were truly broken
💔
Life goes on we know it's true but it won't be the same since GOD took
you. There will be a day we know not when that we will all be together
again. Until such time we want you to know you are loved and missed ,
more than you know.
Rest in Peace...
Your Coca-Cola Family 💔*
