“ I was over the moon happy when Cliff married Nadja. She was more than anyone could ask for in a daughter-in-law. She was kind, strong, courageous, and always willing to lend a hand to a friend in need. Ralph adored her and was so happy that Cliff choose so wisely. Nadja taught me how to make guacamole and brussel sprouts as we found ourselves together in the kitchen a lot. I remember her passion for photographing her beautiful children and the care she put into choosing a photo of Ralph and I that she took on her front step for a gift for us one Christmas.

“ Sending our deepest sympathy. Nadja will be greatly missed. We consider ourselves so blessed to be able to say she was family. We love you all and our prayers are with you. What I remember most of Nadja is her laugh, smile, and love of people. She had a gift of making even strangers feel loved and accepted. May we meet again in heaven sweet sister-in-law.

Love,
