“ I guess I just got lucky... lucky to talk with Nancy lucky to receive her advice and kindness Just blessed. I know she was relentlessly in love with her family. I am devastated and sorry fortunate enough to have been blessed to enjoy no nonsense intelligent hysterical loving Nancy. Heaven has no idea what they are in for... beautiful smart funny inquisitive Nancy. My condolences to her daughter who is her life - beautiful Lana , her kind loving husband Peter, her devoted sister Mia, and amazing parents marie and Andy. She was tiny but always looked 6 feet commanding any room with her infectious smile. God bless, RIP May you Rest In Peace and guide us forever.

*Peter: When I was typing my condolences I should have proof read if. I was trying to type Lana and when I hit the capital it accidentally typed an A in front of Lana's name. Sorry for the typo.
