“ I had the privilege of working with Tom Parides for over 15 years, while he managed our department. During that time, I also had the pleasure of speaking with Mrs. Parides on several occasions. She was always warm, kind, and a joy to talk with. She genuinely cared about others, always asking how I was doing. She had a way of making people feel comfortable and valued. Every conversation with her felt as though I knew her my entire life. Mrs. Parides will be remembered for her kindness, compassion, and caring spirit. Thank you for your warmth, friendship, and positive impact you had on so many lives. You will be truly missed.

“ *The first conversation I had with Mrs. Parides I was 9 or 10 in the basement of the Diane Court home. She asked if I went to church to which I responded yes, every Sunday. The look on her face told me me that was the correct answer, she then asked if I was hungry, one of my most successful conversations of my life! Love and admiration forever, the Van Tassel family.*
